ELECTRIC WALL MOUNT, RECESSED
AND SEE THRU FIREPLACES
napoleonfireplaces.com

Find your happy (fire)place.

Throughout the ages, people have gathered around fires to share in life's greatest joys. There's just something about the glow of flickering flames that makes special moments feel even warmer.

A Napoleon fireplace is uniquely designed to brighten the vibe of any room in your house. Napoleon has an incredible range of designer options to fit any vision.

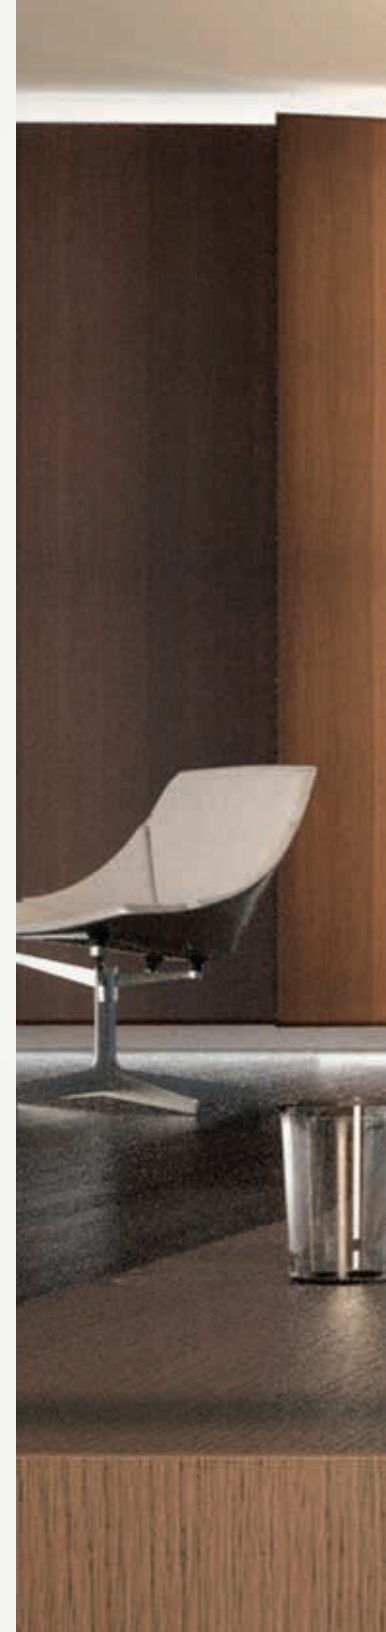

A fire not only raises the warmth and ambiance of a room, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project. And that should make you feel good all over.

And so you can keep enjoying that positive glow for years and years and years, every Napoleon fireplace is backed by an exclusive warranty program.

CLEARion™ 50 See Thru

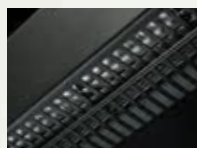

The CLEARion™ See Thru Electric Fireplace is the first ever truly see through electric fireplace. The CLEARion™ can be plugged in or hardwired directly into your electrical system creating a relaxing environment in two rooms. This unique fireplace can heat separate rooms at different rates, increasing the comfort of two spaces at the same time. Customize this fireplace with either a sparkling crystal media ember bed or the hand-painted South Beach Logs with Topaz Glass Embers; both sets are included. Illuminated from below by LED, color-changing lights, both ember bed styles glow with a luxurious feel that can be enjoyed from two rooms.

Alluravision™ Series

See the fireplace, not the frame with Napoleon's Alluravision™ Series linear electric fireplaces. They stand out from the rest with their nearly frameless viewing area which highlights the unique flame colors. Set the mood with yellow, orange, blue and multi-color flames with the push of a button. Easy to use, these fireplaces are plug and play - just hang on the wall and plug them in. Five models, three sizes available, 42-inch slim and 50 and 60-inch slim and deep models, all models include a crystal media ember bed and remote control. The NIGHT LIGHT™ and driftwood logs with topaz glass embers make beautiful additions to the deep model. Napoleon's Alluravision™ Series linear electric fireplaces are about adding the fireplace, and not the frame to your favorite room.

Allure™ Series

Making a statement with an Allure™ Series fireplace is easy. With six sizes to choose from, every Allure™ fireplace sparkles with a crystal ember bed and three color flame options; orange, blue or multi-color. Control the appearance as well as temperature and blower with the remote control. Any Allure™ series fireplace can simply be plugged in and hung on a wall for instant satisfaction. What makes these fireplaces special is the ability to be fully recessed into the wall thanks to the placement of front vents. The only difficulty now is deciding which one you want.
