OUTDOOR ENJOYMENT

- A natural wood-burning fire provides a feeling of comfort, and peacefulness
- A fireplace extends the season for outdoor entertaining
- Gathering together around a fire inspires a sense of connection and community

AUTHENTIC

- A much taller viewing area enables a more impressive fire
- Leave stainless steel visible for a framed look, or cover to the edge with finishing materials
- Choose from herringbone or traditional pattern for a masonry-style brick interior

RUGGED

- Built to last with concrete brick panels and rust-resistant stainless-steel
- Prevent debris from entering the fireplace with optional stainless-steel glass doors
- Optional drain pan moves moisture away from fireplace
